Class Of 2013

Over the years, Quincy High has had many mascots. Ponies, hats, and painted men. This doesn't cause any confusion with us, because we know who we are. We're presidents. We might move on to new places in our lives, but we'll be presidents forever. We'll always remember the walks to the Coddington building in the pouring rain and how crowded the A-building staircase was our freshman year. We'll remember the feeling we got during the north games. We'll never forget our times at Quincy High, because we had a damn good time.

Junior Prom

We all remember what we put into this special night for our very first prom. Hair curlers and eye liner cluttered the floor of every girl's bedroom. As for the guys, putting on the tux was the highlight of their preparation. The parking lot was full of limos and expensive cars, everyone was anxious to see how their closest friends looked. As we walked in we were showered with compliments by teachers and staff. The night was perfect! The DJ played the best songs and we danced until the music stopped and the night was over.

The QHS Golf Team made strides this season, both recording a victory during the regular season and increasing the number of golfers who came out for the team. Co-Captains for the Presidents included the lone Senior on the team, Bobby Kelley and Junior Mike Pugsley, who held the #1 golfer spot on the roster all season. These two provided much needed experience and leadership both on and off the course. Pugsley won Honorable Mention on the Patriot League All-Star team and won the individual Sportsmanship Award as well. A total of 17 golfers survived the season which had several bright spots, including THE highlight in its win over North Quincy at Presidents Golf Course in a stroke-play event. That match saw promising Freshman Ben Regan, shoot a 37 on the par 34 front nine, and had major contributions to the victory from Pugsley (38), Sophomore Brandon Beal (40) and Sophomore Aiden Pugsley with a 42.

Every member of the team saw varsity action during the 16 match season and key contributors included Juniors Chris Smith, Jack Fischer and Matt Joyce. Sophomores who saw regular varsity action included Brian O'Callaghan and Stephen DeIorio. Along with Regan, who played at #2 much of the year, Freshman Billy Connors was a welcome addition to the team. Rounding out the squad was Junior Mike Carnavale, Sophomores Ryan Harty, Bobby Hines, Steve Ross and Bobby Salvucci, as well as Freshman Harrison Pitts. Coach Venturelli was ably assisted by his brother Dom and Music Teacher and former star Joe Salvucci.

Quincy High Boys Soccer

The team started off dedicating their season to their teammate Lamar who passed away just before the season began. The boys fought hard in a higher division from last year and ended it off with a winning record, making it to the playoffs for their second year in a row.

As the season went on, their fellow teammate Bai Kanu, was seriously injured in a car accident and that also brought the team chemistry closer and stronger than before with a greater goal in mind, to strive towards victory each game with dedication.

Quincy High Girls Soccer

This was a new season with a new coach for the girls. They came together with no team chemistry but it slowly increased. Although this wasn't the best year for Quincy High girls soccer, they never gave up with the coach motivating them. They all stuck together as a team and had a great season with lots of fun and memories.

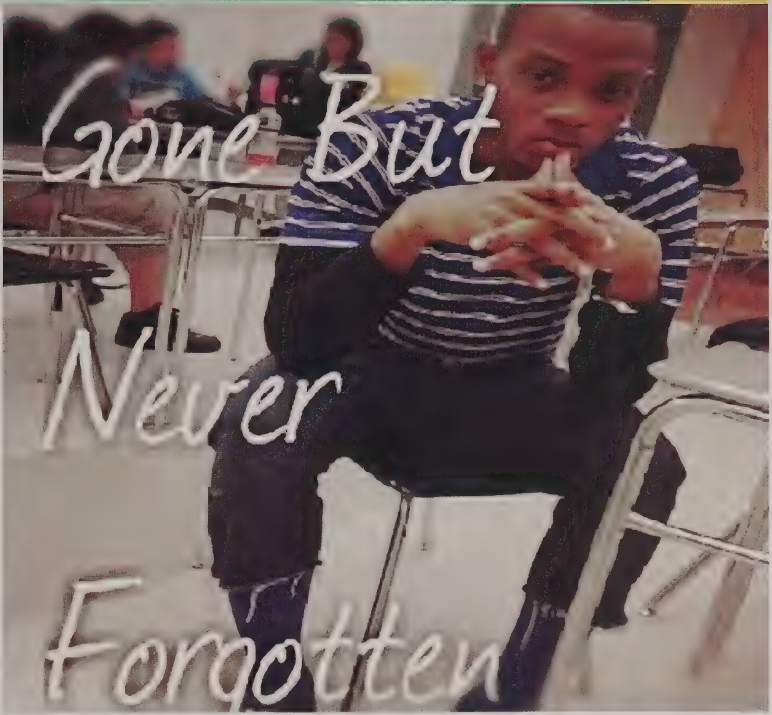
In Loving Memory Of

Lamar Thompson



Lamar Thompson also known as "Skippa" was a good friend to many of his classmates at Quincy High School. Everday you could hear him in the hallways from a mile away saying wagwan meaning whats up. He always had a smile on his face no matter what was going on. Lamar was there to cheer people up when ever they needed to be with just his personality. We'll always miss you here at Quincy High School and will have you in our thoughts and prayers.

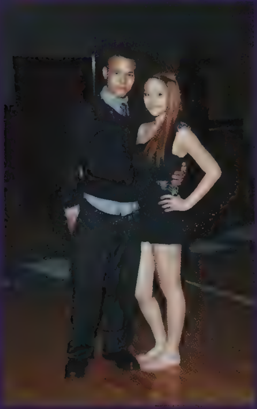
Breakdancing at homecoming? I think yes!



Expensive shoes often don't stay on throughout the whole night!

Homecoming

For our senior year, we got our biggest and best homecoming. This year, we had floods of people on the dancefloor. The girls danced all night in their cute little dresses and the guys buckled down and looked spiffy. The homecoming court- Maggie Mahoney, Rachel Mullin, Amelia Wool, Alex Baylis, Sam McArdle, Andrew Schaff, Peter Cedrone, Viet Doan, Tim Nazzaro, and Shane Nazzaro- awaited the results with anticipation the entire night, but only two could be named king and queen. Tim Nazzaro and Samantha McArdle were crowned by last years' winners, Jack Kozlowski and Isabelle Sculte.

Pucker up Mr Ellis!! Here is our winner of the Kiss the Fish! Don't want to be smelling his breath later.

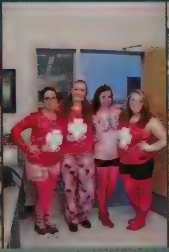
The Quincy High football team huddles together for one last time with the seniors.



Spirit Week

Spirit week is one of the only weeks that Quincy High gets to express their true originality. Some choose only their favorite days to participate. While others, like shown in these pictures, choose every day to go all out! For the first three days, we had sports day, mix and match day, superhero day.Then we had decade day, and seniors had to dress like we were from the 1980's.Next, we had color wars day and the senior color was pink! Finally, to wrap up the week, we had school pride day and the entire school was a sea of blue and white! Every grade was original with their school shirts and hallway decorations!

After getting a disappointing third place in our junior year rally, we stepped it up this year as seniors. With a great spirit week under our belts, we topped it all off with our performance at the rally. From booing at the underclassmen, to showing off our skills in the Powder Puff game, and completely destroying the other grades in tug-of-war, we pulled out with an amazing first place win!

Cheerleading

"Honk Beep Beep
We Got Soul
So Let's Gooo!"

"Dream big, take risks and do more than you ever thought possible. Show the world what true character looks like."
–Mrs. Forrester, advisor

Cheerleading for Quincy High School has been an amazing experience. We went through a lot of tough times together, but in the end, we always pulled through as a team. Our coaches, Paul and D'onna, and our advisor, Mrs. Forrester, have been a great support and we were so thankful to have them. Our team has made so many great memories together this season, from jamming out to songs together on the long bus rides home from games to decoarting the gym for the pep rally. As the season went on, our team has truly created amazing friendships with one another and we have become like family. All year, we worked very hard for hours upon hours to perfect our competition and turkey day routine, and it paid off. We hit our routines at the Braintree Invitational and Patiot League Competition and we couldn't be more proud of ourselves. We are also proud of the boy's football team for having such a great season and beating North Quincy at the Thanksgiving day game. It was very exciting to be able to cheer on such a great football team this year, especialy since we got to sing our "honk beep beep" song every time that they won their game. All of us will miss being a Quincy High cheerleader and none of us will ever forget the amazing memories that we have made together.

Football Team

"Intimidation Equals Domination"

The 2012-2013 City Champion Presidents finished their memorable 7-4 season with a 30-14 win over North Quincy on Thanksgiving and a second place finish in the D2 Patriot League Keenan Division. Captains Andrew Schaaf, Rich Turpin and Peter Cedrone lead the way for the Presidents as five players were selected to the Patriot League All-Star team – Jalen Green, Jackson Lam, Alex Heffernan, Jaquan Harris, and Peter Cedrone - and Rich Turpin was selected as an Honorable Mention.

Running behind Jackson Lam and the rest of the offensive line - Paul Nigro, Rich Turpin, Junior Meade, and Matt Kozlowski - Boston Herald and Patriot Ledger All-Scholastic running back Jalen Green set a QHS single season rushing record with 1,689 yards and 17 touchdowns. At wide receiver fellow Patriot Ledger All Scholastic Alex Heffernan caught 21 passes for 566 yards and 10 touchdowns, and Jaquan Harris had a total of eight touchdowns including a kickoff return against Hingham and a pick six against Duxbury.

Defensively, the linebacker trio of Jackson Lam, Gerson Lai and Captain Peter Cedrone benefitted from the outstanding play of the defensive line in front of them (Junior Meade, Ali Al-Jubori, and Katura Simmons). Jackson led the team with 132 tackles, Gerson registered 59 tackles and six sacks, and Peter finished the season with 92 tackles and a team leading seven sacks.

Highlight games from the season included an amazing 34-32 overtime victory against the Atlantic Coast League Champion Plymouth South Panthers, and a nail-biting slugfest vs. Duxbury. The President were the only team to score more than 20 points against the Dragons all season (28), the team with the longest winning streak in the entire state. And most notably, was the thrilling 42-39 4th quarter come-back victory over the Hingham Harbormen in what Principal Santoro called the most exciting high school football game he had ever seen!

In the year 2000 many of you entered the Quincy Public Schools in your kindergarten year. That year, I too, came to the Quincy Public Schools as principal of Central Middle School. Now, thirteen years later we both will be leaving Quincy High School together. The Class of 2013 will always be special to me, remembering that as I retire, you too will retire from the Quincy Public Schools.

Your class is special in many other ways as well. You entered a new high school and contributed to designing a new mission that will lead many other classes through the 21st Century. Your talents have laid the groundwork for others. You took great pride in your new school and proved to many that Quincy High School has become a "Beacon" for others to follow.

We will now both embark on a future that holds many opportunities for us to continue to grow. Our experiences at Quincy High School have taught us that as long as we follow our heart, passion and dreams we will choose the path that leads us in the right direction to a successful and rewarding life.

Congratulations Class of 2013!

Frank Santoro

It has truly been an honor to have you as a principal at Quincy High School. It would not have been the same without you. You have made going to school a pleasant experience all the way from giving students who sang the school song at an assembly ten dollars to being friendly and personable to each and every one of us. We will miss seeing your smile through the halls every day. You have showed us that you truly care about our school by having done everything that you could to make Quincy High a better place and by going to every sporting event possible. We are so lucky to have had such a great principal and we appreciate everything that you have done for our school. We love you!

When we first walked into Quincy High, no one knew what to expect. It was a hard transition from middle school to a whole new place, especially when most of us had to go to three different buildings almost everyday. We were just kids and had a lot to learn from our brand new environment. We were scared.

Stephanie Sabino and Joanna Konomi at a party

Caique Reginaldo, Karla Ochoa, James Struga, and Pablo Machado, in the back, are at a friend's quincenera.

Ashley Daniels, Nina Plabutong, Marie Hanna, Alex Baylis, Maryssa Dwyer, Anxhela Kapaj, and Tim McDonald gather for the flag day fireworks at Pageant field.

...our sophomore year...

CLASS OF 2013

Only our second year here at Quincy High and we thought we were at the top of the school. But we got lost all over again because the new buildings were finally opened. We were also nervous about taking the MCAS, but after all of our stress we passed and made it to our Junior Year.

...us as juniors...

CLASS OF 2013

We were finally upperclassmen. It was the first time that we had our own prom. Even though, a lot of things changed for the better, we were also stressed out about taking the SAT and choosing the colleges we would want to apply to.

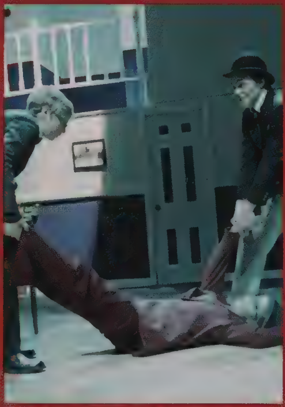
Cops Liam Mahoney and Valerie Lioudinouskov investigate Ellis Hampton's dead body while cop Joey Yacano sleeps on the stairs.

Mark Mountain pats Scott Bausamer on the head while holding a lamp.

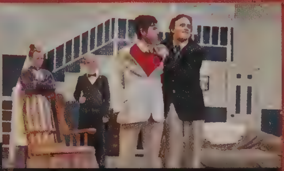


Ellis Hampton and Scott Bausamer drag the lifeless corpse.

Arsenic and Old Lace

Quincy High School's Drama Club put on the production of *Arsenic and Old Lace,* a comedy revolving around Mortimer Brewster. This play is about a drama critic dealing with his homicidal family and the police force as he questions fufilling his engagement to his fiance. Mortimer's homicidal spinster aunts fancy killing lonely old men by adding a mixture of poisons, including arsenic, to their wine. The dillusional brother digs for the Panama Canal in the basement, believing he is Theodore Roosevelt, as opposed to the murderous brother who has recent plastic surgery to disguise himself.

John Yacano drinks the poisoned drink Erin McMillan gives him.



Ellis Hampton gives John Yacano a hug while Scott Bausamer and Erin McMillan watch.

Scott Bausamer and Ellis Hampton toast each other while Erin McMillan and Maeve Rogers watch.

"The most beautiful discovery true friends make is that they grow separatley without growing apart." **- Elizabeth Foley**

Class of 2013, we finally made it! A person's life is defined by a series of moments. They can sometimes stay with us forever. It's no surprise that these past four amazing years at Quincy High have flown by. When we look back at these years, we will realize that together we have helped each other break out of our shells, make new friends, and challenge ourselves i and out of the classroom. We have found ourselves doing things we never thought we would with people we never expected to do them with. These memories that we have made will forever stay with us and so will the friends that we have made.

Don't cry because its over, smile because it happened." Class of 2013, I can't believe how quickly time flew by! It feels like we were freshman yesterday and now we are graduating. I'll never forget doing cheerleading and softball for QHS and also gymnastics and dance outside of school, since it took up most of my time, but I'm so happy that I stuck everything out. I have kept so many of the same friends since I was a little girl and also made tons of new ones through these sports and school, so thank you to everyone who made my high school experience amazing, it wouldn't have been the same without you. To my family, and best friends, Caroline, Tina, Jenny, Kelly, Peter, Courtney, Niamh, and Goonan - love you all, thanks for helping me make it through high school and I know we will continue to be friends after too. Congratulations and Good luck to everyone in everything that you do.

Anthony Tortomasi

Amazing how 4 years just flew by!!! So many memories! Came to QHS with all my bros from Clifford and Point! Baseball (2010), Electrical (4 years) such a shock class is awesome!! Uncle Jeffs! Wendy's, McDonalds, Grumpy"s!!!! I'm Starving!! Friday Night Football! North End!! (Lil Guido) Wow! Wow! Buddies CR, TM, AL, DJ, and my BRO Mike! Love you guys!!! Many thanks to all my teachers for their continued support. Big shout out to Mr. Eldridge!!! Ty, Ty, Ty!!! A special thanks to my family! Vi voglio Bene!! The best of the best My Mom, Dad, Bros Sal and Mike, Love ya!!! Congrats!!! Class of "2013" Follow your dreams!!!

Its gonna be weird. To see you in college. To see your signature on a beautiful piece of art. To see you in a magazine. To see an adult as your profile picture. To bump into you at a bar. To be at your wedding. To slay monsters with you. To read your senior bio in twenty years. To remember all the things you could have done. To realize you'd be thinking the same thing even if you did them. To finish looking through this book, read the farewell and then put it back in your drawer with a smile or cry and let the tears dry on your cheek. To show this to your kids. To your grand kids. To see me at your funeral. To see you at mine. It's gonna be weird but goddamnit I'm glad to have spent my high school years with you. You may have been my best friend or I might have been jerk and never talked to you but my message is the same to everyone. Thank You.

Ciana Bonfiglioli

Wow what a great many years it has been. If I were to go back and do it all again, good times and the bad, for the good helped me excel and the bad helped me grow. I made all my life long friends at Quincy High (except my cats who are my best friends, I'm not crazy) and have made memories that will last forever. The teachers at Quincy High are second to none and have supported me during this crazy roller coaster ride we call high school. To all those of you whom are graduating I say to you, good luck and, may the odds be ever in your favor. I would like to thank Thomas Doucette, Colleen Kelly, my cats, my family, my teachers, drama club, the old tech crew, and of course Mr. Ellis Hampton for getting me where I am today. As the great Emma Watson once said, "I'm going to do what I want to do. I'm going to be who I really am. I'm going to figure out what that is."

Devin McMahon

its been a crazy ride. Four years seems like a long time but its not enough. These years have been filled with endless laughter, friendships built, lessons learned, ups and downs, and lots of memories to take with us wherever we go. Feeling sad leaving is just the beginning. It shouldn't all be sad, but happy as well. We came a long way, and these friendships and memories will never be taken from us. Thank you to all my friends and family couldn't have done it without you guys!

Mom, Dad, Erin, Megan, Shannon, Nate, Maddy, Nan and Gramps, & CM, SB, SB, MM, LN, BP, DV, AF, PB, TP, RP.

Dillon Darcy

its weird to say I'm graduating, and that next year I wont be at Quincy High. But my 4 years are over, I'm graduating and next year I wont be at Quincy High! The four years of high school have flown by, just like I was told it was going to! All the people I've met, all the good times I've had during high school, I will remember forever. All the times at lunch, that I out grubbed everyone, all the people I didn't know freshmen year, who are now my best friends, all the classes that were hard, but the people at Quincy made them easier! I couldn't ask for a better class to graduate with, and couldn't have asked for better friends to experience high school with! Thanks for everything Quincy High! Were Out of Here Class Of 2013!

Eileen "Skud" Skudris

When I think about my four years at Quincy High there are so many things that pop into my mind. I believe I have made friends, made mistakes, made good grades, but most importantly I made myself. The time I spent in school was hard work but also a great time. Growing up with the same people since elementary school makes me think about how much people have changed. Looking back makes me sad and scared at the same time, not wanting to grow up and move away nor lose the ones that are most close to you. This senior class is not just a class that has been together for four years, I believe it is a family. One of my favorite memories of school has been Lacrosse. Lacrosse was not just a group of girls passing the ball around; it is a team that will stay a team. I know there will be tears at senior night, and that final North game because of the close bond. I know school is about academics but it is also about having fun and making the best of it. Lacrosse has been something that I loved and something that I knew I could always look forward to. Friends come and go but best friends always stay, I was told once that your friends can be many but your true friends can only be counted on your hand. My right hand has five fingers, and five very special people close to me. I thank Quincy High for reassuring me who my right hand people are from the start to the finish. The memories, tears shed, and laughs shared show me how much fun I have had in these few years and thank you all for that.

Erica Amato

Life is strange but High School is stranger. The ride has been nice. #goingplaces

Our journey has finally come to an end at Quincy High and I have enjoyed every minute of it! In the last four years I have met some of my best friends and have made lasting relationships full of laughs!! I honestly don't think that the four years was enough. I wish I could stay in high school and not have to grow up and go to college. Good luck to all of you in college and in the future and I can't wait to see what we have grown up to be when we have our class reunion.

Jacqueline Gilmartin

During my 4 years at Quincy High, I've had some great experiences that I will remember for the rest of my life. Freshman year was one of my favorite years to look upon; it was when everyone made new friends. Walking to Quincy College during snowstorms because the new school was not finished yet, is something that I will never forget. Another great experience of QHS was junior prom; everything about junior prom was very fun. Junior prom was by far my favorite memory of high school. I've met lots of new people and began to build friendships with others. Some of them had major impacts on my life and hope to be lifelong friends. Softball was another fun experience; I made friends through the sport along with gaining experience within playing Softball. Playing softball for QHS was another fun time that I will forever remember. My future plans are to go to college and study Business/Finance. I hope to work in the Financial District of Boston. QHS will be a very memorable time to look back too.

Wow... these past four years have truly gone bye in the blink of an eye. It's hard to believe that we are all going our separate ways now and turning the page starting a new chapter in our lives. Its weird thinking that next year in college I wont hear the word of the week and how wonderful the weather is every morning, I wont be able to visit Mr. Sommers randomly throughout the day, I can't go see my second family in the security office whenever I want, and I won't being going to school with some of my best friends. Casey, Devin, Courtney, and Ashley thank you so much for always being there for me and for making high school "the time of our lives." I wouldn't have made it through high school with out you guys. I wish you all the best of luck with whatever next year brings you. Always remember I'm forever here for you and that I love you best friends! Class of 2013 good luck, I'll miss you all! And remember, "Don't let anyone steal your dream. Its your dream not theirs."

When I first walked through the doors of Quincy High, I thought I would never leave. But here I am, on the verge of graduating. These past four years have been the best four years of my life. I will always remember this school, these people, and these teachers. They have given me the tools to become the person that I am today. And a word to my teammates on the football team: from freshman year to senior year, we have stuck together through better and worse times. Remember the pigskin bus rides freshman year? How the meadows kids would be separated from the point kids, and how everyone would scream, "No yelling on the bus!" Those were the best times. It seems like yesterday, we won our freshman Turkey day game and everyone was screaming their lungs out celebrating. Anyway, I just wanted to say, to my teammates, you will forever be my brothers. And to Quincy High, thanks for the best years of my life, I'm really going to miss this school and I'm proud to be a President.

Jahmarley Lawson

High school has been the most wonderful and difficult experience in my life. As I look back upon my experience I see how much the people around me and I have changed. I can see how I have changed from a shorter, slightly timid freshman with a high top fade to a taller and more confident senior. I will remember being a part of two high schools: North Quincy High and Quincy High. I will remember the exhilarating rallies at both and how the gyms were covered and red, black, blue and white. I will remember being a part of the breakdance club at North and learning how to Bboy as well as how to get involved and make friends. I will remember being a cadet in JROTC and feeling like I was a part of a community. I will remember meeting my best friend "V" in homeroom.

Jennifer Scarnici

"Success is getting what you want, happiness is wanting what you get" Class of 2013, we did it! These past 4 years at Quincy High have just flown by, it feels like we were freshman just yesterday. The times we've had and the friends we've made are unforgettable. My two other Musketeers; AB and TS–love you guys, my soccer girls (KM, DL, EH, AL, LM, TT, JO, CS, SG)–thanks for a great senior season. I'll never forget our last game in Hurricane Sandy and when Coach made me tear up. cripple buddies EH "Get on the line!", "Ball Hard", "Soccer on 3"-love you girls, my lacrosse girls-let's get some W's and show Lewis what we are made of. My favorite teachers! Campa, everything I've learned in your class will help me in life, even if it's not nursing related! Pritch and Howard, best academic classes! My long lost sisters I met in high school- ARH and AKH, without you I wouldn't be who I am today, my north friends- "rivals by school, best friends by choice" no one can ever break that. CJ, thanks for being there to help me with anything; love you because. To everyone else I met along the way- thank you for making my high school years the best. Best of luck to everyone in college, can't believe it's finally here.

Joan Palo

I remember the first day of high school like it was yesterday. Walking up to the old Quincy High School and seeing all these kids that I didn't know was very new to me. Then it turned to trying to have a single of my friends from middle school in my freshman year classes. I started making new friends within the first few days of school which was pretty fun. I had fun in classes where the teachers remember my brother such a Geometry with Mrs. Croke freshman year. It also happened with Doctor T.

I was involved in many things while at Quincy High School. I was docent for the MFA program that Miss Twomey hosted from 2010 to 2012. It was fun going to the museum and watching people present to us and then I saw how it was from their point of view when I was the one presenting. I played on the men's JV and Varsity Volleyball throughout my years at Quincy High School starting from freshman year to the end of senior year. I had many coaches to thank for how well a job they did and what sacrifices they made for the team.

Karla Ochoa

Goodness how fast time passed , all I did was dream and dream of how my senior year would be the best year of my life & how far away it was . Now it's here & I still can't believe it , all the memories with my friends & my lacrosse team is something I will never forget . I'm so thankful that God has been able to keep me on the right path through my education. I would also like to give my family the biggest props for supporting me through everything I've done. I love you mom , dad & sissies <3 also a little shout out to my girls & my boys ya know who you are , I will never forget the all the laughs & long conversations during lunch . I love you guys . Next time you will see me ill be flying a plane or as an athletic trainer !!! Well I couldn't be more than happy to say it but IM FINALLY GRADUATING :)))))

Activities and clubs: fashion club, SADD club, DOVE club, student council and international club, it seemed like yesterday when I just walked in this school, and now it is time to walk out, leaving everything behind but carrying all the beautiful unforgettable memories with me; and also big goals that I want to achieve. High school was one of the best experiences I have experienced in my life, it taught me so much. It was easy, and tough at the same time.

We all laughed, cried, stressed out, had ups and downs, but we end up smiling and the reason was, seeing all your true friends by your side, supporting you and sharing your happiness and sadness with you which makes everything seem peaceful. Words cannot describe how much I appreciate all the help and support I received from all my teachers, school staff, family and friends, that were always an inspiration to me and taught me the best, they will never be forgotten. Thank you all very much.

"The price of success is hard work, dedication to the job at hand, and the determination that whether we win or lose, we have applied the best of ourselves to the task at hand.

A dream doesn't become reality through magic; it takes sweat, determination and hard work."

'Surround yourself with only people who are going to lift you higher and trust the ones that can see the sorrow behind your smile, the love behind your anger and the reason behind your smile"

Looking back at my time at Quincy High, I don't think of what happened here, but what will happen to the people. Who will become famous? Who's going to be rich? Who will I keep in touch with? Who will I remember? I've had a great time here, but I'm really looking forward to the possibilities of what comes after. The possibilities of all the different colleges I might go to. All the jobs I might have. Friends I might make. Will they be anything like the people I've spent most of my life with? Or will they be completely different? I can't stop thinking of the possibilities and I couldn't be more excited.

These past four years have been a bumpy ride. I’ve lost friends, gained friends, failed tests, aced tests, and had my good days and my bad days. What I can say is that I don’t regret a moment of it. High school has really shown me how people really are and that no one stays forever. High school has shown me what can make you or break you. For the most part, high school was fun; making friends, hanging out, and making memories that will last a life time. My friends and cheering have gotten me through the most. My main squeeze Hannah “Kirbstomp” Kirby, I don’t even think I would be able to survive without this girl. She is my best friend, my shoulder to cry on, my sister. Can’t forget about main squeeze number two Eileen. We’ve gotten so close over the past years and I love it. You’re always there for me and I know I can talk to you about anything. I love you both! As for my cheering family, I love you all to the moon and back. We’ve been through it all these last four years and we’ve developed this bond that I will hold onto forever. Mollie and Mallory, we’ve cheered together the longest and I love you two to pieces. Black girl number two! Khiana, I love you too girl, there isn’t a moment when we aren’t laughing about something. I trust you guys with everything, thanks. Class of 2013, we made it! Good luck to everyone in the future. I hope everything goes well. I could not ask for a better class to experience high school with. Love you.

Mallory McKinnon

“Don’t cry because it’s over, smile because it happened. Class of 2013 we finally made it! These past four years have been amazing and I couldn’t ask for a better class to spend it with. I have had so many amazing memories that I wouldn’t change for the world. For my girls: Sam, Syd, Devin, Court, Lindsey, Jaycee, and Patricia I don’t know how I would be where I am today without you guys. To the guys: Struga, Marmar, Viet, Andi, Tim, Shane, and Muscles your the best. You have all been a huge part of my high school experience and I will never forget you guys. I also could never forget my cheer family, being on Varsity since freshman year I have made so many close bonds with people like Kenze, and Khiana and all the other girls who I love to the moon and back. As for everyone else we lived it up! Special thanks to Kanman and Fore River for providing for our crazy nights. I will never forget any of those memories or any of you who I experienced them with. Congrats class of 2013 on your future plans. I love you all and you have truly made my high school experience unforgettable.

Mark “Molof” Solander

Hello old friend, and here we are. You and me, on the last page. By the time you are reading this, we will all have gone on our separate journeys into the world and away from Quincy High School. A lot of us had our ups and downs, lefts and rights, forwards and backwards, and other things during our time here within these walls. Some will enjoy the time spent here and others will discard it like a piece of paper because they don’t want the memory anymore; everyone’s different. I will say myself though, that everything we’ve been through, good and bad, joyous and tragic, have solidified the bonds of friendship we have made here more than anything. Rest in everlasting peace as well Lamar as you continue to watch over every one of us with your smile as we sadly continue our journey without you.

I came here not knowing what to expect seeing as how I went to two different middle schools in Quincy. But I came, I saw, I didn’t back down at the gates of the shadow looming over this place that existed freshman year. I moved that shadow away with the help of Presidents Football and SkillsUSA because they made me feel more at home here and allowed me to settle in and develop my social skills. The people around this school have also made it easy to settle in because of individuals like Michael Nurmi (The Batman), Tim Nazarro, Shane Nazarro, Rich Turpin, Andrew

Schaaf, and many other individuals. I mean honestly if it wasn't even for Paul Nigro during freshman year I would not be the person I am today. Today, I am a person who is more socially outward, a leader with leadership skills, and someone ready to enter the working world with the necessary skills thanks to Mr. Holmes and Information Technology.

There are so many things people can say and many more they can do. Yet, you can only do so much. I offer these last few words of advice to the 2013 graduating class as I too depart these walls and make my way out into the world. Go out and do what you want to do as long as your happy doing it. As long as you are willing to put the effort in to a goal and endure the arduous road that lies before that goal, you will succeed in life. While you are out doing this though, keep one thing in mind. "Everyone's got a story to tell, just make it one worth telling long after you are gone with a legacy to last beyond even the end of time itself." Allons-y!

Wow what a great many years it has been. In the beginning I never thought I would fit in as a little Irish girl coming from a small private school that call band-aids plasters. Naturally, as an actress, I put walls up, but those walls soon came down thanks to the great people at Quincy high. They helped me share my talents with, not only the school but also all of the Boston area. Quincy High School helped me break my chains and become truly free. I would like to thank some of the people who helped my on my path to liberation; Colleen Kelly, Mr. Harris, Tom, my brother and sister, my mother, everyone at BCT, Mr. Columb, the great people in the main office, Plato, and of course Ellis Hampton. As the great Betty Davis once said "A sure way to lose happiness, I found, is to want it at the expense of everything else."

Paul Nigro

My years at QHS have been probably the best in my life. I met friends I will have for a life time and experience things and events that I know are only once in a life time. I found myself in high school, I never thought that my choice to join the football team my freshman year would give me brothers I would have for the rest of my life. I love everyone on the team you'll always have a special place in my heart.
Also I met people and teachers that I know I will never forget. For all the teachers that helped me get through the tough times you forever have my thanks and gratitude. For doing the play one year to help be a walk on I met the love of my life and saw a different side to QHS. My high school experience is a time I will not soon or ever forget, this school will always be on my mind and in my heart.

I am in the automotive program at Quincy High school and like it very much. I want to thank all my teachers and shop teachers they have helped me a lot. I really enjoyed being at Quincy High School. Also, I enjoy the new building. Quincy High is a very nice place to be. I like the Eva program a lot. It is a good program to be in. I also want to thank Mrs. Kusy for helping me stay in the program.

It seems like May 13 of 2009 was yesterday. That was the first time I set foot on the then unknown city of Boston. From that day until now a lot of things have happened in my life, some good and others awful. I would like to thank those who inspired me to be the person I am today Dougie, Steve, Jared, Jensen, Misha, Wesley Crusher, Anakin, Spock, Steve Perry, Randy, Vreth, Axl, Ozzy and many others. The friends I made during high school also helped me a lot, even the fake ones, thank you guys for making life a little easier to me and also my friends who are far away but never gave up on me. Lastly I want to thank my awesome parents, my sister who had me as a daughter for so long, my annoying sister whom I'll miss a lot and my nephew who inspires me each and everyday. This is dedicated to my grandma who I lost during sophomore year, grandpa who taught me to appreciate people for who they are and my long lost grandma whom I wish I would've known a little better. Many dreams come true and some have silver linings. I live for my dreams and a pocket full of gold.

Stephanie Weinberger

I can't believe I'm a senior already. Life has come at me so fast. These four years haven't always been the best for me, but I wouldn't regret anything I've done here at Quincy High. Help I'm afraid of bananas. I've had some of the greatest memories here, especially with the amazing people in graphics, and with my best friend. I can't wait to see what will happen in my future because of the way Quincy High has shaped me.

Sydney Brawley

It's been a long, exciting, stressful and awesome 4 years at Quincy High! And it's crazy to think that the class of 2013 is graduating. I've had so much fun throughout these years, and have met so many awesome people. As a freshman, it was scary meeting everyone new and a new environment. I played volleyball which got me out there and on the right path. I also played softball and did cheerleading throughout my four years. There is no better feeling than hitting a ball that goes flying into the outfield. I have met so many great friends through Quincy High School's activities. I've had so much fun at Homecoming and Junior prom. Knowing such great people have made my experience in high school an unforgettable one and I will miss it very much. They have influenced and shaped me into the person I am today. The teachers and staff were unbelievable and such a big help! It's sad to say goodbye, but it's time to move on to college! Thanks Quincy High and the Class of 2013!

Tina Su

Walking up the stairs of the old Quincy High School building, I thought to myself, "These will be a long four years to come." Little did I know that time would fly by, where in a blink of an eye, I'd see myself as a senior. The time I spent here has been a great one; I've met exceptional people who have made my high school experience a memorable one, including those I've met while being on the Cheerleading Squad. I've been able to build relationships with not just teammates, but my teachers and peers as well.

My two musketeers, A.B and J.S, are irreplaceable; they've stuck by me through the four years I've spent at Quincy High.

Yusi He

These four years at Quincy High School have been amazing. Thanks to my family and friends who supported me through my high school years. Thanks to all the teachers.

Academic Decathlon

The United States Academic Decathalon was created to provide opportunities for students to experiance the challenges of rigorous team and individual competition. Each team competes in ten events - economics, language and literature, art, music, mathematics, social science, science, essay, interview, and speech. This year was focused on Russia.

Calclus Period 1 and 3

The Continental Math league has been providing fun competitions in mathematics and computer science since 1980. The annual calculus contests include thirty-two questions divided into four rounds. These questions offer students a great opportunity to test their knowledge of calculus and practice for the College Board Advanced Placement examination. "Team competition provides students with a great way to hone their learning," Coach Mrs. Ryan said. "The contests are challenging, but these students have the confidence and skills to conquer them. Among our strongest competitors are Billy Malas, Lawrence Tran, Wenzheng Yu and Xiao Feng Zheng." This year Quincy High School's Calculus team is very strong because two students are taking second semester college calculus after school at Harvard College. The Lowell Fellowship Program enables qualified high school students, and their teachers, to take courses at a very reasonable rate. "These are very strong students who have managed to advance beyond our regular school program." Coach Ryan said. "We're very proud of Zhoudong Huang and Wei Lin."

Philisophy Club

The Philosophy club meets weekly to discuss the nature of existence, knowledge, and ethics in a semi organized and always rational manner. The club provides a venue for interested (and interesting) students and faculty to get together and express their views on a range of topics. Each week the club investigates a new issue, talks about specific philosopher, or learn about a philosophical school of thought. Interest aside, there is no pre-requisite to join.

Docents

Each year approximately 20 students from both Quincy and North Quincy High School receive special training from the Museum of Fine Arts, Boston. These students spend four to five days in the museums over the course of several months. Therefore they become familiar with museum and specifically prepare to talk about specific artists and/or pieces of art.

Youth and Government

Quincy High works with the YMCA for Youth and Government. This groupo of elite kids participate year-round in a mock government that travels from Boston colleges to Springfield institutions, and results in a four day conference at the state house - all with hundreds of kids from around the state that share the same interest as them. They meet Thursday nights at the YMCA to discuss current events and debate things like Congressional bills. Get your opinions ready, and your bills pressed - because in Youth and Government, we don't play around.

Friends of Rachel

The Friends of Rachel Group here at Quincy High is a group that works to spread the idea of kindness throughout the school. Our mission as a group is to "Start a Chain Reaction of Kindness" which is exactly what we have been trying to accomplish. Rachel Joy Scott wanted everyone to be kind to one another. We have tried to spread that message by making a paper chain of kindness where each individual link contains an act of kindness done or seen by a student at Quincy High School. The chain grew to be one hundred and seventy-one feet long and it has yet to be completed.

Leadership

In a small group setting, tenth and twelfth grade leaders communicate a curriculum that focuses on teaching incoming ninth graders the importance of problem solving, teamwork, tolerance, diversity and communication. These student leaders are also instrumental in assimilating the incoming freshmen into the Quincy High culture and community.

Art Club

The Quincy High School Art Club is a casual weekly meeting for the visually inclined. The art club does a variety of projects including parade floats, paintings, and t-shirts. If you want to make new friends in a low-pressure atmosphere, try the art club – a place where you can be yourself, and explore the visual arts.

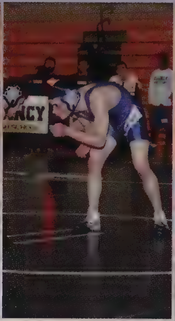
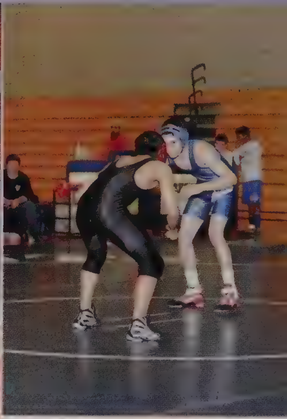
Wrestling





During the 2012-2013 season, there were many notable accomplishments earned by this year team. We had our highest number of participants in the last 10 years with 40 wrestlers coming out for the team. The team won 7 dual meets overall. There were 6 wrestlers who had double-digit wins, with senior Captain Matt Roach setting the pace winning 33 matches overall. The future looks bright for QHS wrestling.

Additionally, the team hosted the MIAA D2 Sectional Tournament again this year. We had the highest number of place-winners in 5 years. Junior Lorenzo, Junior Conroy, and Senior Captain Jose finished in 6th place. Sophmore Kenny Garcia finished in 5th qualifying for states, as did Matt Roach who finished in 4th place.

Indoor Track *Team*

The Winter Track team had a season full of hard work and determination. Junior Lakun Masan made a huge accomplishment by placing third in the Patriot League for the 50 meter dash. Our sophomores, Wei He and Steven Simons placed 12th and 22nd in the 1000 meter run in the Patriot League. Also, freshmen Victoria Deeny placed 6th on the 1000 meter run in the Patriot League. Aashim Hamadi placed 12th on the high jump and 23rd on the long jump in the Patriot League, while freshmen Cody Desmond placed 22nd on the long jump in the Patriot League.

Boys Hockey *Team*

The 2012-2013 QHS hockey team finished with a bang. 3-1-1 to close off the season is a positive sign for what next season will offer. High quality play throughout the season was led by sophomore Pat Freeman (31 points) and freshman Jake Hallisey (29 points). Sophomore Brian O'Callaghan led the charge against North Quincy scoring a hat trick in a decisive 4-1 victory. Sophomore goaltender Ryan Higgins started 20 of 20 games this season and finished the year with a dominant performance against North Quincy. The varsity team graduates two seniors, Chris Andrews and Anthony Tortomasi.

Boys basketball Team

The Quincy High Boys Basketball team had another successful season playing against tough opponents this year. The team had three contributing all star players, Tino Golcalves, Jaquan Harris, and James Lam who helped lead the team into defeating their first tournament match but came short of a win against Sharon. The underclassmen contributed largely to this year's success and the coaches hope to recieve further assistance from the high potential group of underclassman in years to come.

Tino Golcalves, Senior
Tino is a two year varsity basketball player. He is the starting pointguard who was named Patriot League All Star.
Peter Cedrone, Senior
Peter is a two year varsity baskteball player who is reliable offensively as well as defensively.
Jauqan Harris, Senior
Jaquan, also another two year varsity player lead the team with most points at the end of the season.
Zack Uglubub, Senior
Zack is a one year varsity player who is reliable whenever he is needed on the court, and get the job done.
Jalen Green, Senior
Jalen is a two year varsity player who is also another reliable role player with tremendous defensive capabilities.

Girls Basketball Team

With seven returning Varsity players and a group of exciting newcomers, the Quincy High School Girls Basketball team proved themselves capable of competing with the best teams in the area this season. The girls closed out the regular season by winning four of their last five games to qualify for the division 1 state tournament for the fourth straight season. Quincy went on to win its preliminary round matchup with West Roxbury in convincing fashion 64-26 before eventually falling to Braintree.

Maryssa Dwyer, Tri-Captain
Maryssa is a second year Varsity Basketball player and captain this season. She is a defensive standout and extremely hard worker on the court.

Alysha Dunbar, Tri-Captain
Alysha is a 2-year Varsity Basketball team member, playing both the guard and forward position.

Sam McArdle, Tri-Captain
Sam is a 2-year varsity basketball player and captain this season.

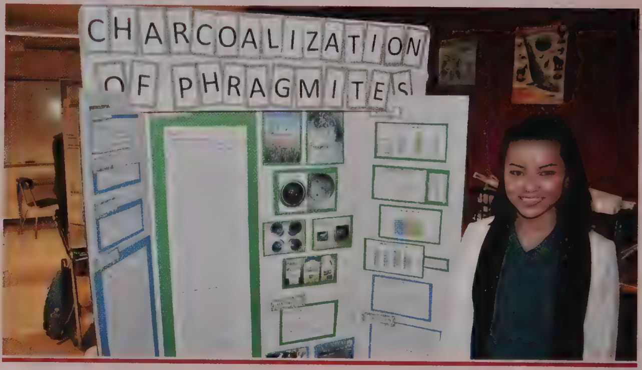
Science Fair

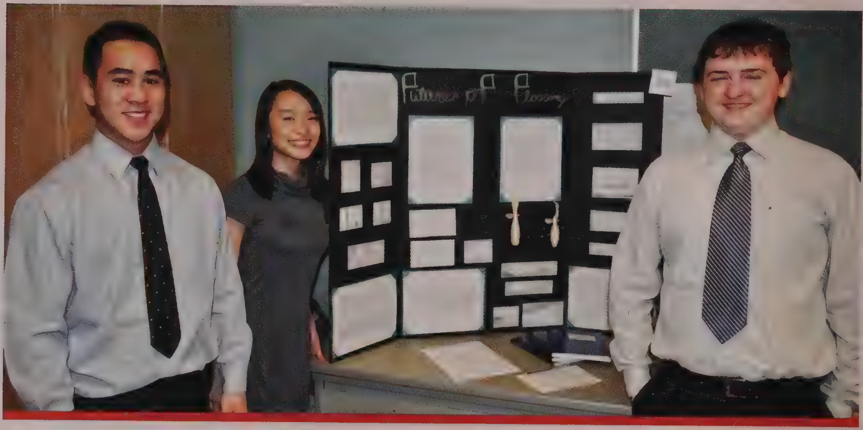


MARTHA PHAM

EACH YEAR STUDENTS FROM QUINCY HIGH SCHOOL REPRESENT THEIR SCHOOL BY WORKING ON DIVERSE PROJECTS AND IN THE END, celebrate their accomplishments with the community.

THINK. WORK. WE'RE AT THE SCIENCE FAIR!

This year's annual Science Fair contained projects submitted by students in grades 9-12. Through these projects, the students have gained critical and creative thinking, communication, teamwork, and ethical-decision making skills.

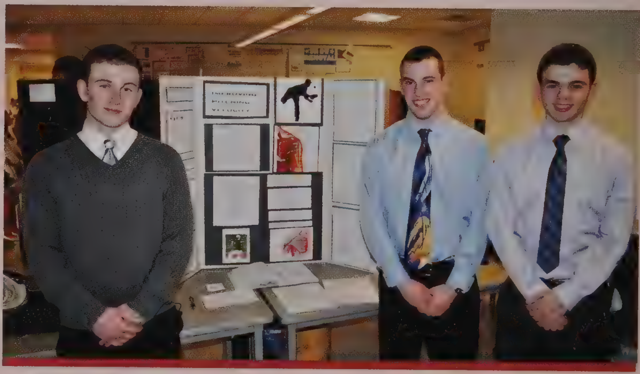


GERSON LAI,
EMBER DUONG,
JOAN PALO

THE SCIENCE FAIR THIS YEAR would not have been possible or such a big success without the incredible support from the community.

GOOD WORK & TEAMWORK!

The students in the science fair have also had the amazing opportunity of working one-on-one with teachers and professionals who not only helped them learn about their topic of study but also go in depth with "real world" science problems



CHRIS MCMAHON
SHANE NAZZARO,
JOAN OPARI

VOLUNTEERS from different science and technology fields gave their time and helped judge the projects.

This year's winner was the Quincy High Breakdancing team, RYA Crew. The team consists of students from different grades. Their endless practice and preparation paid off. Well done guys!

Karen Chen won second place and impressed everyone with her amazing voice.

Nick Werner came in third and the judges were impressed with his talent as well.

Talent Show

This year, Quincy High held their annual talent show with a lot of new faces and returners, hoping to steal the show. Regardless of having stage fright, these contenders all stood up confidently in front of their judges and peers and did an amazing job. The breakdancing team's act caught the attention of everyone in the room, earning them first place. Second runner up, Karen Chen, showed off her voice and music talent. Coming in third place was Nick Werner who showed that not only could he sing but he could also play the guitar. As you can imagine, this year's talent show was a success and included many skilled and creative performers.

Winter Concert

This year's annual Winter Concert was one night to remember, from the fantastic singing of the choir to the amazing talent of the band members. When the two came together to perform, everyone in the audience was moved and filled with holiday spirit. The choir and band had been practicing their pieces since October and it showed! There was a wide range of holiday songs performed and even a dance routine from the chorus.

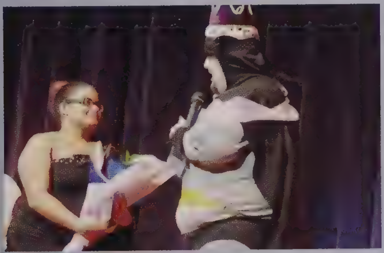
Mr. Quincy High

After successful years in the past, this year's senior class decided to give it a go. Dj Feliciano, Caique Reginaldo, Michael Nurmi, Shane Nazzaro, Richie Turpin, Mark Solander, Skyle Duong and Thinh Do, were all in the running for Mr. QHS. The categories were formal wear, Quincy High Pride and talent. Dj and Mike Nurmi surprised the crowd with a dance, and Caique sang "When I was your man" to his beautiful escort, Mallory McKinnon. Shane Nazzaro amazed the crowd with his talented hula hooping skills. Richie Turpin sang a song and danced for his escort. Mark and Thinh played their guitars and entertained the crowd. Skyle wowed the students with an awesome break dancing routine. Overall the qualities of Mr. QHS were found in Michael Nurmi. Overall it was a great day! Good job guys!



Michael Nurmi asked his girlfriend Makeysha Richards to prom when he was chosen as Mr. QHS.

The Wizard of Oz

Quincy High's drama club presented *The Wizard of Oz* as their spring musical this year, directed by Margaret Spencer. Staring Erin McMillen as Dorothy, with a split cast of Liam Mahoney and Ben Cheney playing the scarecrow, Mark Mountain and Austin Kimmel as the lion, and Robert Smith as the tin man. Valerie Lioudinouskova and Kate Stevenson were both the wicked witch of the west. This play was a community effort. The Drama department had the help of dedicated volunteers, along with a group of elementary school students who put on their little jitterbug costumes in an adorable performance with a real terrier to play the role of toto.

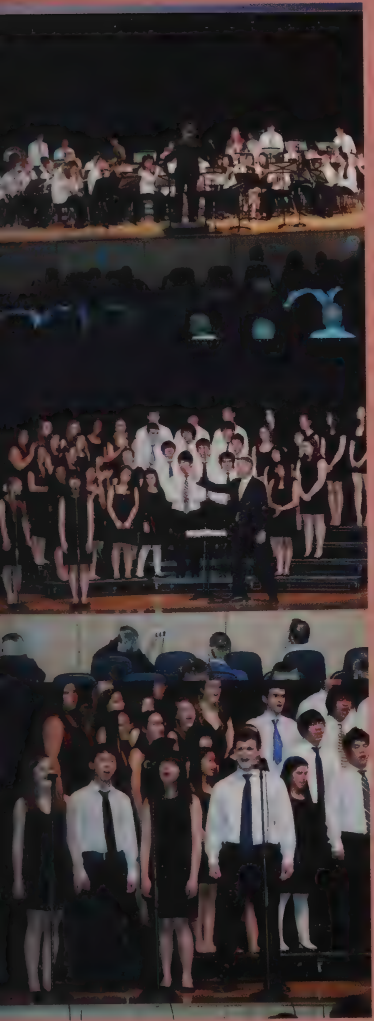
Spring Concert



The choir and the band did such an amazing job at their spring concert! The choir practiced since January to perfect songs like "All That Jazz", "Gloria", and "Elijah Rock". The band also played beautiful music that night. Now that it's senior year and this is our last spring concert, the band and choir seniors are getting ready to leave the music program behind, but they will never leave music behind.

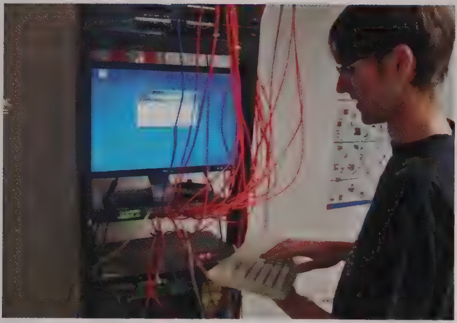
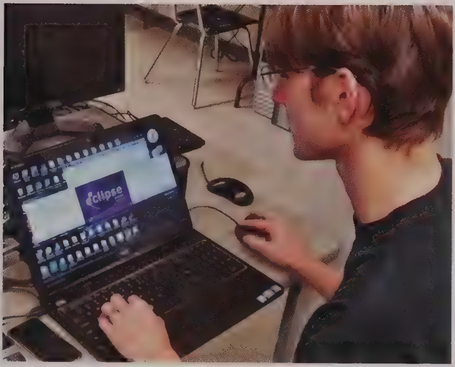
Engineering Technical Student of the Year



William Malas, son of William and Patsy Malas of Quincy, is a student at Quincy High School, where he double majors in Information Technology and Project Lead the Way Engineering. Billy, who is taking all Advanced Placement academics, is number two in his class of 379 with a 4.8 GPA, and the top Engineering and IT student, with a 99% average in both CVTE majors. Through Project Lead the Way, Billy has tested and received 12 college credits for Engineering courses. At last year's State SkillsUSA competition, Billy received a gold medal in Related Technical Math. This allowed him to compete nationally, where he finished nineth in the nation.

Even though he is busy as a member of the National Honor Society, Science National Honor Society, the Programming Club, Philosophy Club, and a member of the Leadership Team for SkillsUSA, Billy finds time for Community Service projects of tutoring, church camp counselor, church Youth Group Coordinator, and coach for his former middle school's LEGO Robotics Team .

Billy plans to continue his education at Harvard, Yale, MIT, WPI or ENC; he has heard back from ENC, where he was accepted.



Girls & Boys Track *Team*

The spring track team has done awesome this year and has several outstanding team and indivdual efforts. The relay team has qualified for all states Jalen Green, Jaquan Harris, Lakuan Mason and Jabea Handosme - Fields make up our relay team. Jaquan was also outstanding in the 200 meter where he hass qualified for states and also the long jump where he has yet to finish first in either one of these events. Rayshawn Grey has done great at the javelin and sophomore James Lam has qualifeid for states with a best throw of 150 feet in the javelin. William young has excelled in the shot put and Kenny Garcia is outstanding in the 400 meter. This team has strong leadership with captains Matt Hines, Jaquan Harris , Rayshawn Grey and Kenny Garcia.

Girls Lacrosse Team

The Quincy High Girls Lacrosse Team had another successful season. With great competitors the team beat quality oppenents such as Silver Lake, North Quincy, Abington, and Fontbonne Academy. The team was lead by the three senior captains: Sam McArdle, Jen Scarnici, and Courtney Ryan and were assisted by fellow seniors Eileen Skrudris and Lindsey Nazzaro. The team also will be heading in the right direction with the younger players with great potential. The Girls Lacrosse will be successful for a long time.

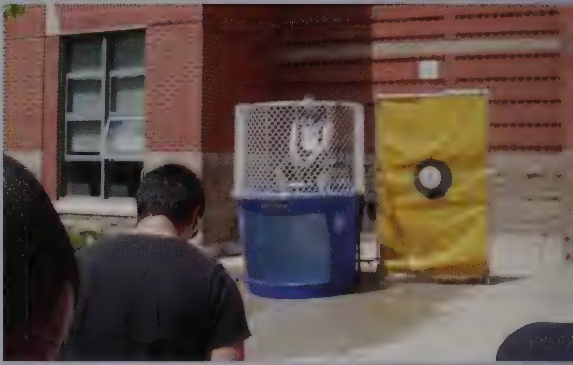
Dunking Teachers

Ain't nothing better than getting them wet

Dunking the teachers is a yearly event where students have a chance to get back at the techers and deans for whatever reason they may have . Needless to say, it is a very entertaining thing to watch, especially when the taget is hit and the teachers fall in the tank!



Caique preparing to dunk Mr. Smith once again after failing the first couple of times. His perseverance in the end resulted in a bull's-eye hit.

This is only a small portion of how many students participated in the event. The line to dunk extended back to the caffeteria!

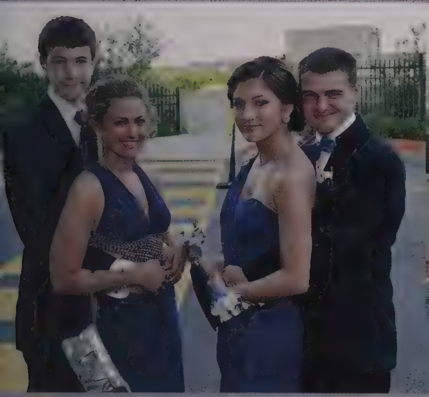
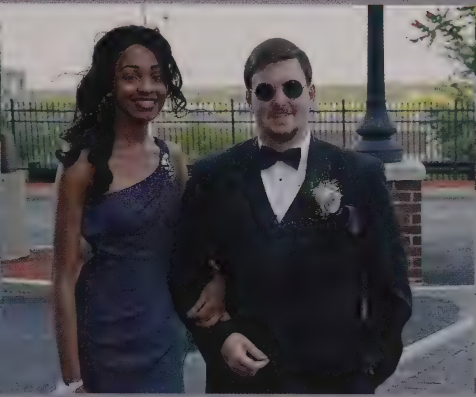
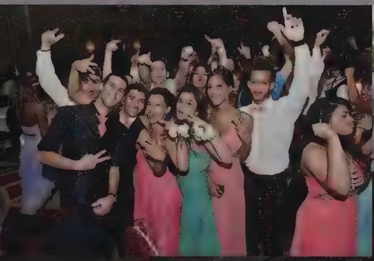
Senior Prom

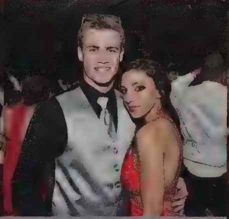
IT'S PARTY TIME!

MAY 31ST couldn't have been a more perfect day for our senior prom at the Quincy Marriott. After being out of school for a week, prom was the best way for everyone to gather with friends and go out before graduation. The prom committee did their best to make the night absolute amazing, and all their efforts truly paid off. The dance floor and tables were extravagantly decorated to fit the Casino Royale theme, and the dinner and desserts were incredible. The girls looked dazzling in their elegant gowns and the guys all looked handsome and sophisticated in their tuxes. The best part of the entire event was that even though the prom ended at eleven, the night didn't stop there. Everyone departed from the Marriott to make it to the next party the Senior Night Out that lasted until five in the morning. Senior prom was the perfect way to say goodbye to all of our fellow classmates and teachers before we celebrate what is yet to come in the future. The senior class would like to thank Mr. Santoro, Ms. Sullivan, and all the teachers that chaperoned for all that they did to make this night unforgettable.



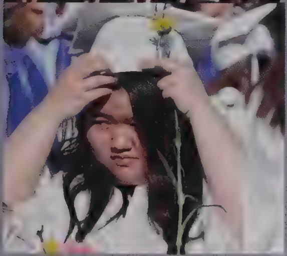






Above: Two adorable couples patiently waiting at the front enterence at the Marroit.

Left: Mrs. Murray did a fabulous job taking our tickets and wishing us all a wonderful evening!



Graduation

GRADUATION went off without a hitch. It was a beautiful night, the weather cooperated fully. It was attended by parents, relatives, friends, the School Committee, City Councilmen and Elect Officials, the Superintendent, faculty and of course the graduates. A class gift of a bench was presented by Nina Plabutong, Class President, followed by a moving speech from Mr. Frank Santoro. Wenzheng Yu, class Valedictorian gave a very inspirational speech. The school band and the chorus entertained the crowd with special selections of music. Dr. Richard DeCristofaro and Paula , Department Head of Guidance presented the graduates with their diplomas to end the festivities.

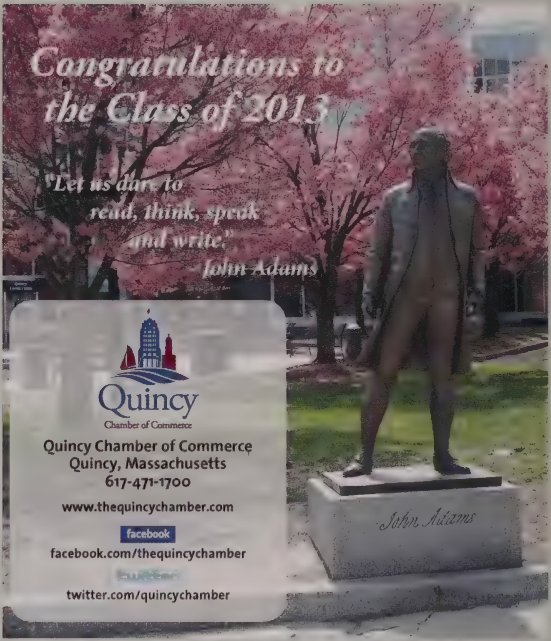
Patrick Sullivan

Patrick, Congratulations! Always follow your dreams and become watever you want to be! You have already accomplished as much. Listen to your heart and believe in yourself. Always remember how much we love you and we will always be there for you!

P.S. We are so very proud of you!

Love,
Mom, Dad, and [illegible]



Congratulations to the Class of 2013
